To Whom It May Concern,

We are thrilled to announce that Youth Arts Academy (YAA), a specialty program of Boys & Girls Clubs of Northwest San Diego, will be hosting its **16th annual Commotion Rock Concert** on **May 17th, 2026!** This event will take place at the Music Box in Little Italy. This event is not only a celebration of our talented students, but a crucial fundraiser for our program.

Commotion will feature performances from our student-led rock bands and private lesson students, who will showcase the skills they have developed over the past 8 months of the program. This is a unique opportunity for our youth to perform on a professional stage in downtown San Diego, while also helping raise funds for the program that makes all of this possible.

Net proceeds from the event will help bridge the gap between the nominal fees we charge and the actual costs of our services. Additionally, the funds will contribute to the over \$6,000 in financial assistance we provide to ensure that all youth, regardless of their financial situation, have access to high-quality art programs.

We are currently seeking items for our auction and raffle for this event. The exact item is at your discretion. By donating to our event, you will have the opportunity to advertise your services to an audience of 150+ participants/attendees primarily from across North County San Diego. Our auction/raffle are major fundraising components to this event. Enclosed you will find an auction item description sheet. Please complete, sign and scan/email back OR mail back to us at your convenience.

We hope you will consider supporting our cause and helping us make a positive impact on the lives of youth in our community. Please do not hesitate to contact us if you have any questions, or if you would like more information about our program and the sponsorship opportunities available.

Thank you so much for your time and consideration.

Sincerely,

Elizabeth Stewart
